

Thank You!

As we count our many blessings this Thanksgiving,
Girls Inc. of Greater Houston
is especially grateful for friends like you who supported us in 2008.

Your generosity has played a key part in ensuring that:

- Girls will make informed decisions about their lives.
- Girls will graduate from high school and explore meaningful careers.
- Girls will give back to their community.
- Girls will grow up to be confident, independent and responsible adults.
