Dear Gail,

On behalf of the Muscular Dystrophy Association and those we serve, our sincerest thanks for your participation in the 2008 Northeast Lock-Up. The event was a great success raising a total of \$14,692! This certainly would not have been possible without your commitment and pledges totaling \$2,420.

The money raised from this event will benefit hundreds of families in the San Antonio area with neuromuscular disorders. Proceeds from the 2008 Northeast enable MDA to continue its efforts in conducting research, providing medical care, MDA summer camp and promoting public awareness. For many of our client families, MDA is help and hope; that is why your partnership is vital to the success of our organization.

It's people like you who give hope to those with neuromuscular diseases. Thanks again for your support.

Sincerely,

Jennifer Carrisal
