Dear Ms. Stewart,

You help give our children a second chance at life. And for that, we are thankful. On behalf of the Transplants for Children's Board of Directors and staff, I want to thank you for your generous contribution of \$250.00 to our upcoming Fiesta Event April 20, 2009. Currently, more than 90,000 children and adults are waiting for compatible organs to save and extend their lives. All of our services are provided at no cost to the families.

Your generosity is an expression of your caring, and it represents an investment in the future of our children. Thank you for helping us meet our mission which is to assist young organ, marrow and tissue transplant recipients and their families in effectively coping with the emotional, financial, and social challenges which arise before, during and after transplantation.

Thank you for your support!

Thank You!

Sincerely,

Bonnie S. Lundy-Kwan
